

Hirling Strategy & Finance is a consulting company for strategy and finance with headquarters in Berlin. We advise companies on improving and developing an appropriate strategy which matches the firm's financial aims, thereby creating long-lasting customer relationships with medium to large sized German, European and large international companies.

We are offering you an

Consulting Internship (f/m)

We are looking for students (f/m) who want to complete their internship in our company. You are studying business administration with a major in "finance and investment". If you are interested in new challenges and constantly changing markets then you are in the right place.

Your Duties and Responsibilities:

- Development of market studies
- Internet and library based research
- Independent composition of texts
- Creation of presentations
- Project support

Your Qualifications:

- Experience with the MS-Office package
- We expect you to be goal oriented and able to work independently
- Familiarity with challenging texts
- Working knowledge of English and German is advantageous

Please send us your resume / CV with picture preferably by e-mail to the following e-mail address:
